Dr. Arun Ross is an Assistant Professor with the Lane Department of Computer Science and Electrical Engineering at West Virginia University. His research interests include statistical pattern recognition, machine learning, data mining, and biometric authentication.

Professor Ross received his B.E. (Hons.) degree in Computer Science from the Birla Institute of Technology and Science, Pilani (India), in 1996. He obtained his M.S. and Ph.D. degrees in Computer Science and Engineering from Michigan State University in 1999 and 2003, respectively. His Ph.D. Dissertation was titled, "Information Fusion in Fingerprint Authentication."

Between July 1996 and December 1997, Professor Ross worked with the Design and Development group of Tata Elxsi (India) Ltd., in Bangalore. He also spent three summers (2000, 2001, and 2002) with the Imaging and Visualization group at Siemens Corporate Research, Inc., Princeton, working on fingerprint recognition algorithms.
