

# *Biometric Consortium 2005 Conference*

---

**Fred Herr**

*Director, Special Projects  
Identification Technology Partners*

316-B Cross Green Street  
Gaithersburg, MD 20878  
Phone: 215.527.6717. fherr@idtp.com

**Topic:** Biometric Standards and Physical Access Control

**Abstract:** Panelist –Biometric Standards and Physical Access Control

**Biography:**

Mr. Herr has over thirty-six (36) years of software development and project management experience with operating systems software development and quality assurance, and with requirements analysis, design and integration of biometrics into a variety of applications. As a Staff Engineer, Project Manager and Director Fred has been responsible for several biometrics product evaluations and benchmarks, has supervised application development projects, and has been active in developing and promoting biometrics standards. He was an original participant in the BioAPI Consortium, serving as a member of the Board of Directors. He is the Editor of ISO 19785 Parts 1 and 3, CBEFF, and is the Chair of INCITS M1 Task Group M1.2, Technical Interfaces.
