

# *Biometric Consortium 2005 Conference*

---

**Harold J. Korves**

*Principal*

*Mitretek Systems*

3150 Fairview Park Drive South

Falls Church, Virginia 22042

Phone: 703.610.1687. hkorves@mitretek.org

**Topic:** Multi-biometric Fusion Research Results Using NIST BSSR1 Data

**Biography:** Harold “Corky” Korves is a Principal at Mitretek. His experience includes system engineering, analysis, simulation modeling, and data fusion experience in the areas of biometrics, Strategic Defense Initiative (SDI), and navigation. He received his master’s degrees in math, system engineering, and electrical engineering, and completed all course work and the qualifying exam for the Ph.D. EE, all at Polytechnic University (Brooklyn NY). He is a licensed Professional Engineer in the Commonwealth of Virginia.
