Biography: Mr. Wipprecht is Executive Vice President and Chief Security Officer for Wells Fargo & Company. Wells Fargo is a diversified financial services company providing banking, insurance, wealth management and estate planning, investments, mortgage, and consumer finance through 5,400 stores and 7,000 ATMs.

Mr. Wipprecht has enterprise-wide responsibility for all Financial Crime investigations, High-Tech investigations, Physical Security, Enterprise Services, Executive Protection and the Uniform Services Division.

Mr. Wipprecht is a Certified Protection Professional (CPP). He has been a national speaker at the American Society for Industrial Security, American Bankers Association and the American Law Firm Association. He has appeared on all of the major news networks as a security expert. In addition, he has taught several college level security management courses.

Mr. Wipprecht is currently President of the California Chief Special Agent's Association, a member of the International Security Manager's Association, the California financial representative to the California High Technology Crime Advisory Committee and a board member of the Financial Services/Information Sharing and Analysis Center (FS/ISAC). He is the past Chairman of the American Bankers Association and the California Bankers Association security committees, and the ASIS National Security Committee.

Mr. Wipprecht developed and implemented the Wells Fargo & Company Workplace Violence Program and from that experience, he authored the book, "Workplace Violence in the Financial Institutions". He has contributed numerous security articles for publication and served on several national task forces.

Mr. Wipprecht is a graduate of Golden Gate University where he received a Master's Degree in Public Administration.
